Why a new UI?

Upgrade the technology

Refresh Leganto UI

Improve user experience/workflows

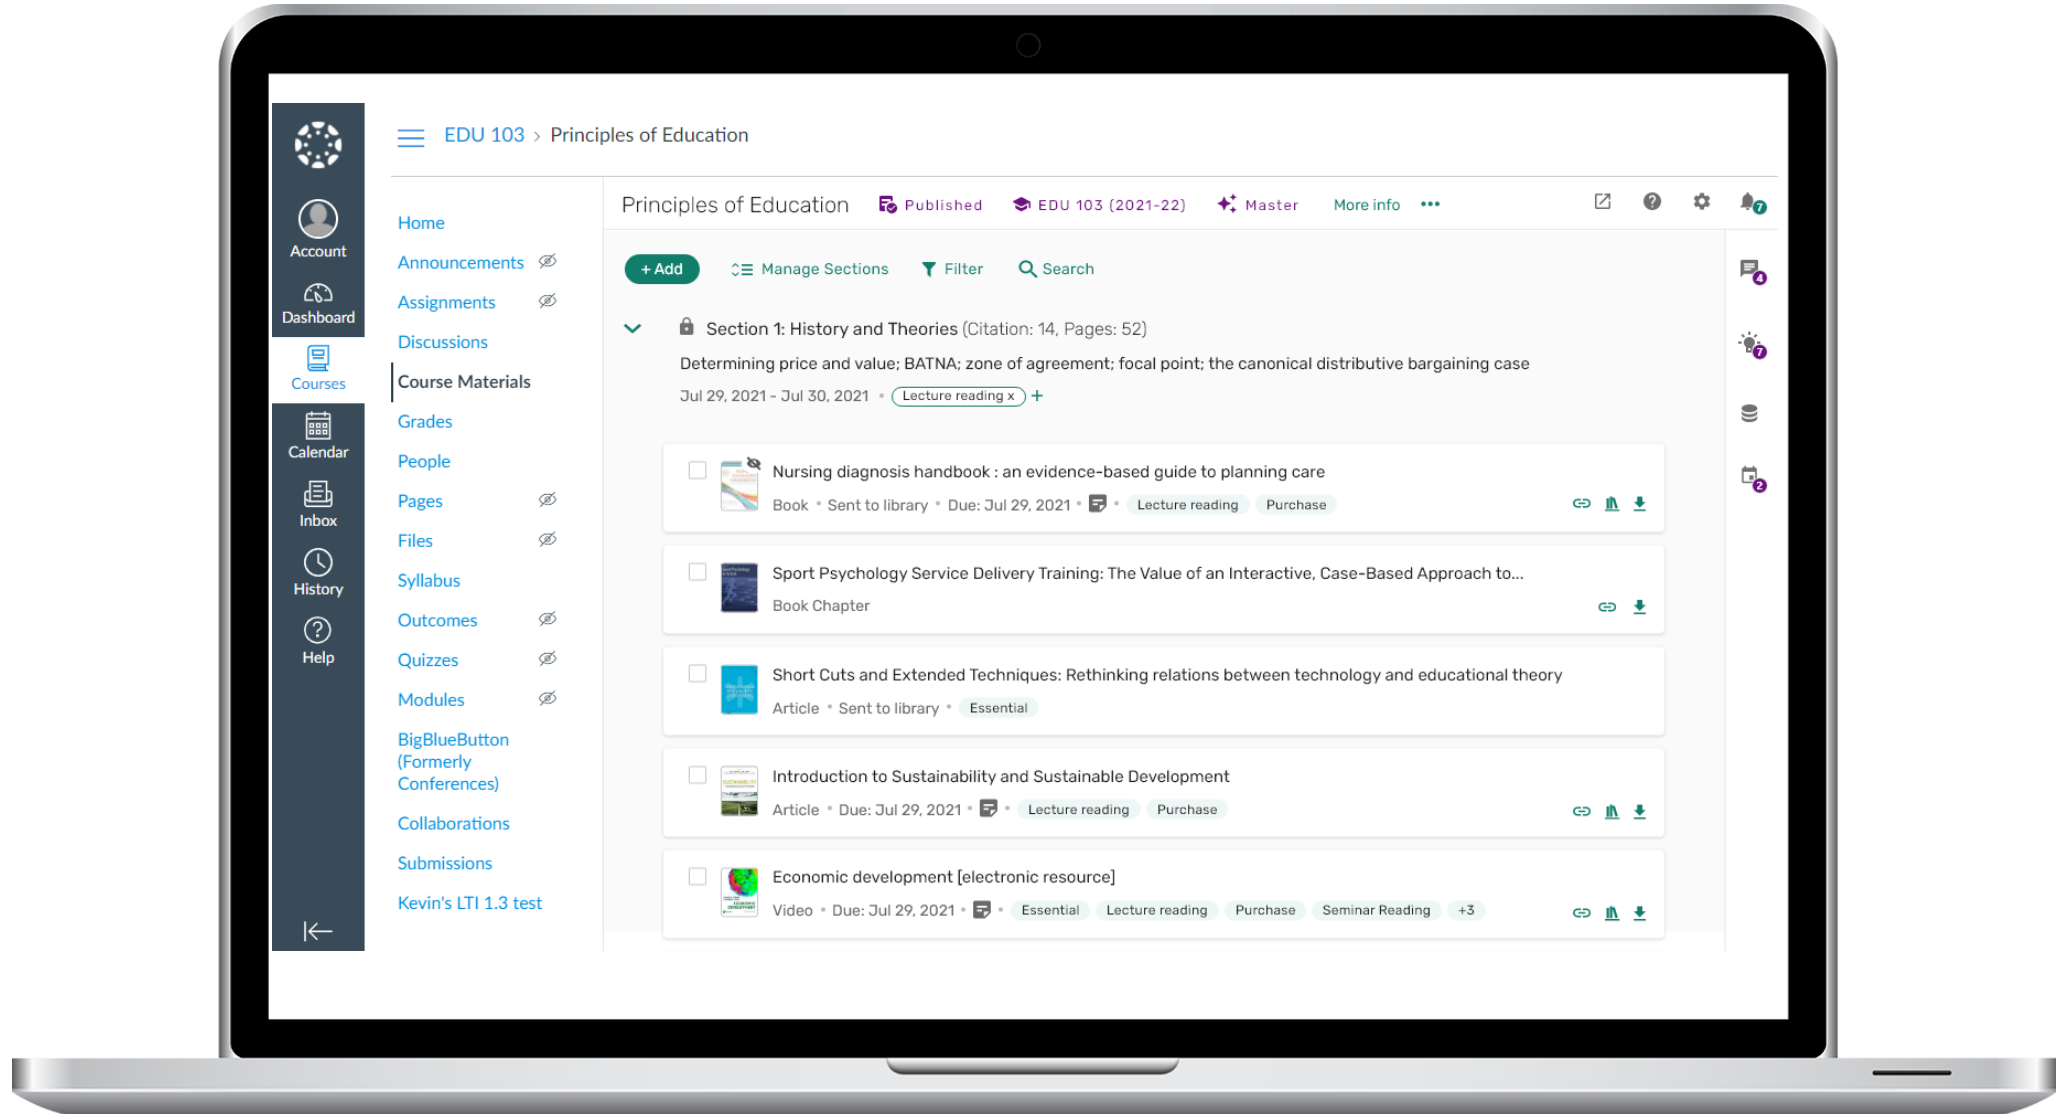

User Experience Examples

- Focus on the experience from the LMS
 - Screen size
 - Context of a single course
- Streamline instructor onboarding
 - Guide instructors through list creation workflow
 - Separate core workflows from “bells and whistles”
- Clean up/simplify workflows
- Provide distinct instructor/list creator and student experience

Brief Display for Instructors - Compact Toggle (July)

The screenshot displays the ExLibris Leganto interface for a course titled "Advanced Public Policy". The interface includes a sidebar on the left with the "ExLibris Leganto" logo, a "Lists" button, and a "Favorites" section. The main content area shows a list of resources for "Week 1 (8)". The top navigation bar includes links for "Published", "Link to course", "List info", and a "Compact view" toggle. The resource list contains five items, each with a checkbox, a thumbnail, a title, a type, a status label, and a "View online" link. The first item, "Chapter 1: Political Parties and Hard Choices", is marked as "Recommended" and has a "Library processing" status. The second item, "Analyzing public policy", is marked as "Essential". The third item, "Chapter 2: Who Decides? Actors and their resources", is a "Book Chapter". The fourth item, "From There to Here: Punctuated Equilibrium to the General Punctuation Thesis to a Theory of Government...", is marked as "Essential" and is an "Article". The fifth item, "Agendas, alternatives, and public policies", is a "Book Chapter".

FAQs for the Switch to the New UI

When should we move?

- Now-ish...
- Plan to switch during an academic break
- All customers must switch by January 2025
 - If you need an extension, contact us via:
Leganto_Customers_Feedback@exlibrisgroup.com

How should we test the new UI?

- Start using it!
 - Configure all librarian users to use the new UI by default
 - Librarians can use the new UI while instructors and students continue to see the classic UI
- Report any and all issues you encounter via support tickets

What do we need to check in the new UI?

- Review logo and color scheme
- Verify and/or update labels
- Review workflow changes
 - “My list is ready” workflow
 - Advanced publishing option
 - Duplicate/rollover list workflow
 - Link to section or item from the LMS

When will you stop making changes to the new UI?

- Never (but we will slow down)
- Prioritizing changes that will have the biggest impact on your switch
 - Workflow implications
 - Bigger UI changes
