

SFX 4.4

Activation and Deactivation
in SFX Admin Lite

Simpler than Ever!

How was this Done in the Past?

- *Total Care* users – contact Ex Libris to do it.
- *Local* or *Direct* users – done by your institution's SFX administrator.

Activation and Deactivation
in SFX Admin Lite

Portfolio Activation and Deactivation

ProQuest

EBSCO
HOST OCLC

Object Portfolio = Journal + Vendor Package

EXAMPLE SERVICES: FULL TEXT,
TABLE OF CONTENTS, BOOK
REVIEW, DOCUMENT DELIVERY...

Activating a portfolio means that SFX will recognize the target specified by that portfolio as one purchased by your library; and resolve links accordingly.

SFX Admin Lite

SFX Lite Administrator

New role in SFX version 4.4:

- Can activate and deactivate portfolios.
- Can't access other admin areas.

Thank you!
